Programmes by Faculty: (2017-2022)

Doubling the Farmers income has become one of the major highlights of Government of India specifically the vision of our Hon'ble Prime Minister to meet food security, sustainability and poverty reduction in India.

Taking the above into consideration, **Hon'ble Vice Chancellor** had taken the holistic approach on agricultural extension services with objective to provide a platform to farmers on ways of improving the crop production in a sustainable manner and to provide overall knowledge related to advanced agriculture technology and services. In addition to that, academicians, scientists and subject expert/resource persons of the university had also provided the notable contribution in agriculture fields to make India self-resilient.

With prominent objective & above consideration, university had adopted the neighboring villages and facilitated the extension services and awareness programmes under the umbrella event of "Azadi Ka Amrit Mahotsav" through demonstration of Drone for spray & crop monitoring, Zero tillage, Drum seeded rice, Crop protection, Fertilizer & Seedling distribution, Voter awareness programme, Climate Scenario Programme with Seminar/ webinar and Kisan Gosthi, which play a pivotal role in transforming agricultural situation of the country.

A LIVE DEMONSTRATION OF DRONE SPRAY UNDER THE CHAIRMANSHIP OF HON'BLE VICE CHANCELLOR ON DATED 30 NOVEMBER 2022

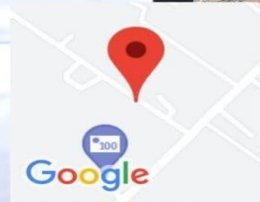

**DEMONSTRATION OF DRONE AT FARMERS FIELD UNDER THE EXPERT SUPERVISION
ON DATED 30 NOVEMBER 2022**

**HON'BLE VICE CHANCELLOR ADDRESSED THE VILLAGERS ON EVENT HAR GHAR
TIRANGAON ON DATED 30 NOVEMBER 2022**

SCIENTISTS SHARED THE VALUABLE INFORMATION THROUGH AGRI-ENTREPRENEURSHIP PROGRAM ON FARMERS DAY (23 DECEMBER 2021)

HON'BLE VICE CHANCELLOR PERFORMED BHUMI PUJAN AT MES HORTICULTURE FIELD UNDER AGRI. EXTENSION ON DATED 15 AUGUST 2022

**VOTER AWARENESS UNDER UNNAT BHARAT PROGRAMME TO ENCOURAGE FOR 100% POLLING
ON DATED 25 JAN 2022**

**FARMERS AWARENESS PROGRAMME & SEEDLING DISTRIBUTION ON WORLD
METEOROLOGY DAY (3 MARCH, 2022)**

KISA GOSTHI ON COMMERCIAL CULTIVATION OF MEDICINAL & AROMATIC PLANTS BY THE EXPERT IN NEARBY VILLAGE ON DATED JULY 2021

SEEDLING DISTRIBUTION BY THE EXPERT TO ENCOURAGE CULTIVATION OF MAP CROP IN NEARBY VILLAGE

**TREE SEEDLINGS DISTRIBUTED BY EXPERT DURING AWARENESS PROGRAMME ON
AGROFORESTRY IN VILLAGES ON DATED AUGUST 2021**

**PVC IRRIGATION PIPE DISTRIBUTED BY DEPARTMENT OF AGROFORESTRY IN DIFFERENT
VILLAGES ON DATED 22 MARCH 2021**

SEED DISTRIBUTION AT THE TIME OF KISAN GOSTHI ON CULTIVATION OF VEGETABLE CROPS UNDER AGROFORESTRY ON DATED 12 OCTOBER 2021

SEED DISTRIBUTION OF VEGETABLE & SPICES UNDER ALL INDIA COORDINATED RESEARCH PROJECT (AGROFORESTRY) BY EXPERT 9 MARCH 2022

**SEEDLINGS OF DIFFERENT TREE SPECIES WERE DISTRIBUTED IN VILLAGES BY
DEPARTMENT OF AGROFORESTRY ON DATED 16 OCTOBER 2021**

**EXPERT VISIT AT MIDH NURSERY DURING AWARENESS PROGRAMME ON RAISING OF YOUNG
VEGETABLE SEEDLINGS**

**AWARENESS AND DISTRIBUTION PROGRAMME ON SPICES AT DISTRICT SULTANPUR AND
AMETHI**

**COLLEGE TEAM VISITED AT FARMERS FIELD DURING AWARENESS PROGRAMME ON GAJAR
GHASON DATED 16 AUGUST 2022**

**Acharya Narendra Deva University of
Agriculture and Technology,
Kumarganj, Ayodhya-224229**

**COLLEGE TEAM VISITED DEMONSTRATION FIELD OF OPIUM POPPY DURING KISAN GOSTHI
ON DATED FEBRUARY 2021**

**INTERACTION WITH THE FARMERS ON VALUE ADDITION OF BANANA CROPS AND DOUBLING
OF INCOME ON DATED 25 OCTOBER 2021**

EXPERT AT THE TIME OF FARMERS TRAINING ON HORTICULTURAL CROPS AT NEARBY VILLAGE ON DATED JULY 2019

All extension programmes of the university were planned, organized and monitored by the directorate in closed collaboration with different departments of constituent colleges of the university, different departments of the state Governments, ICAR and other extension agencies.

University had conduct the large number of training for small & marginal farmers, Landless farmers, livestock keepers, farmwomen, rural youth etc. through its main campus and its twenty three Krishi Vigyan Kendra (KVK) at different district with vision of self-reliant, healthy rural population with rich knowledge and good marketing intelligence.

Scientist/ Subject matter specialist of the constituent colleges provides the solution of farmers problems and provided the all agricultural inputs and technology for demonstration with capacity building on crops. They also shared information to farmers regarding mushroom production technology, insect pest management and storage technology. They encouraged farmers on organic farming cultivation, line sowing of crops for better production of quality of crops along with its benefit. Additionally, scientists had created awareness among farmers about use of certified seeds, kharif seed- production, animal health, Jeevamrit and Beejamrit in natural farming and insurance of crops.

**Acharya Narendra Deva University of
Agriculture and Technology,
Kumarganj, Ayodhya-224229**

**PLANTATION BY HON'BLE VICE CHANCELLOR AT THE TIME OF WORLD FORESTRY DAY ON
DATED 21 MARCH 2020**

**TECHNICAL LECTURE ON SEED PRODUCTION TECHNOLOGY BY THE EXPERT TO
PROGRESSIVE FARMERS ON DATED 10 MAY 2018**

**Acharya Narendra Deva University of
Agriculture and Technology,
Kumarganj, Ayodhya-224229**

During the session 2017-2021 most of the activities was organized and inaugurated by the Hon'ble Minister of Agriculture, Government of UP. Through the events, subject expert of university had shared the information on modern agriculture technology, importance of soil and its required nutrient, high yielding variety, scientific cultivation of vegetable & fruit crops and encouraged farmers on above point through Kisan Mela, Exhibition, Kisan goathi.
