Impact of Soft Skill Training

University is providing soft skill training for counselling and guidance to the students for competitive examinations and better career options. Students are continuously provided soft skill training in the form of personality development, Language development, leadership development, and group discussion. The university has organized all soft skill programmes from 2019 continuously in collaboration with Smart Series, Bengaluru; Imperial School and Agribusiness, Ahmedabad; and Communicare Training Center, Pune, Shreshta Learning Foundation Noida. In addition, the Career Orientation BootCamp, Agriscap, Hackathan, and Group Discussion programmes were organized with the help of Medha Learning Foundation, Lucknow with which the university signed MOU in 2019 for the benefit and welfare of the students. Due to this soft skill training, there was significant improvement in the percentage of students qualifying in the NET/State/national level competitive examination/entrance test and placement of the student. From 2021 to 2022 there is 14% increase in the placement of the students and 11% increase in qualifying NET/state level examination.

ANDUAT PD & Soft Skills Training Report

The Acharya Narendra Deva University of Agriculture & Technology (ANDUAT), Ayodhya, conducted the online Personality Development and Soft Skills Training Program for students selected from various colleges under its wing from **February 28 – March 03, 2022**. The training program was conducted under the **Innovation Grant (IG)** of the **National Agricultural Higher Education Project (NAHEP)** with valuable guidance and encouragement from the honorable **Vice Chancellor of ANDUAT, Dr. Bijendra Singh**. DSW of the University and Principal Investigator of NAHEP, **Dr. Debashish Niyogi** provided wholehearted support for this training program. One batch was conducted online on the Google Meet Platform for students of colleges under the university. The students selected from the colleges for the program gained crucial knowledge related to personality development and soft skills that will help them to succeed in all walks of professional and personal life.

A total of **90 selected students** from the following colleges under ANDUAT participated and benefited from the training program,

- College of Agriculture Campus, Kotwa, Azamgarh
- Mahamaya College of Agricultural Engineering and Technology, Ambedkarnagar
- College of Horticulture & Forestry
- College of Fisheries
- College of Community Science (Administration)
- College of Agriculture
- College of Veterinary Science and Animal Husbandry
- MBA (Agribusiness)

About CommuniCare Training & Content Solutions, Pune

ANDUAT chose CommuniCare Training & Content Solutions, Pune as the training partner to conduct the online training program.

CommuniCare provides world class value-based training services to university students, staff, and corporate employees. CommuniCare is based in Pune and has 20 years of rich experience in the areas of Personality Development, Entrepreneurship Development, Corporate Training, Faculty Development, Soft Skills Development, English Language Training for competitive examinations, and Technical and Creative content creation for the corporate.

CommuniCare has conducted numerous ICAR funded training programs—including NAHEP—at more than 15 Government Agricultural Universities as they have extensive knowledge of today's youth and their skills requirements. Their training modules successfully bridge the gap between the current skills of students and expectations of government and private employers and ready them to be successful in all walks of life. The training programs also lay huge emphasis on

developing **entrepreneurial capabilities in students** and encourage them to start their own ventures and become a part of the start-up ecosystem in the country.

Through their training programs, CommuniCare enlightens the student community to shape their careers and future life and transform them into responsible human beings.

Training Program Module

The PD & Soft Skills training module offered by CommuniCare and chosen by ANDUAT was comprehensive and was scientifically designed, keeping in mind the immediate and long term professional skills requirement of the students of the university. The module had 16 important topics that were covered in four days.

Training Program Contents

The module offered by CommuniCare was elaborate and included topics that were not only crucial but also interesting for the students of the university. Each topic dealt with a different professional skill and the right way to develop that skill to grow in professional as well as personal life. The following contents of the module demonstrate that the module was scientifically designed to suit the exact requirements of the students.

The following 16 topics were covered during the training in four days:

- Confidence, Motivation & Attitude
- SWOT Analysis
- Group Discussion (GD) Techniques
- Personal Interview (PI) Techniques
- Time Management
- Stress Management
- Communication Skills – I
- Communication Skills – II
- Goal Setting
- Innovation - the need of the hour
- Developing an Entrepreneurial Attitude
- Presentation Skills
- Email Etiquette
- Self-Discipline
- Internet & Social Media Etiquette
- Leadership

Mode of Delivery & Training Methodology

The entire training program was delivered online on the Google Meet platform. The trainers, through their experience and unique styles of delivery, imparted crucial learning to participants of the batch. A unique and interesting mix of teaching and training techniques, including anecdotes, storytelling, short videos, pictographic PPTs, and fluent yet simple English language made all training sessions fun and valuable for the participating students.

Resource Persons

The following resource persons from CommuniCare Training & Content Solutions, Pune conducted the online training program:

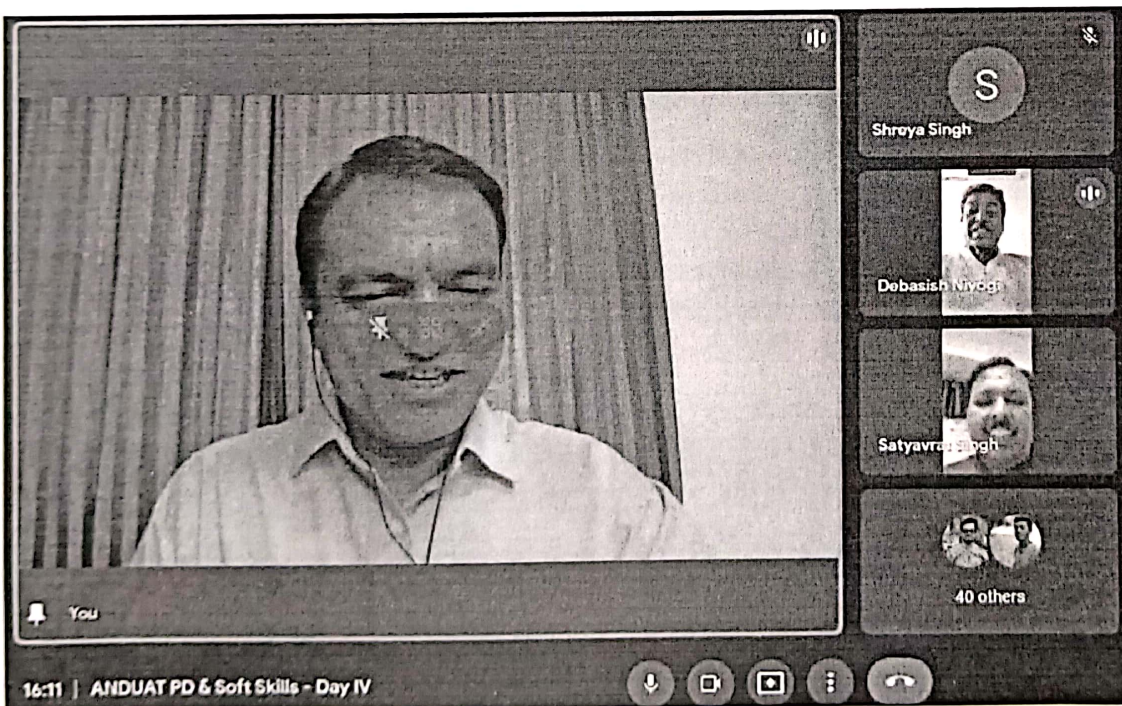

Kushal Raut – Director

Sanjeev Rane – Senior Trainer

Mangesh Burghate – Senior Trainer
