

Acharya Narendra Deva University of Agriculture & Technology Kumarganj-224229, Ayodhya (U.P)

6.2.3. Institution Implements e-governance in its areas of operations

Administration

- For personnel management activities, University has electronic Human Resource Management System (eHRMS). It improves the efficiency of employees, generates less waste, improve Data-driven decision-making, provides Transparency and consistency, increased productivity, better resource allocation and better security practices.
- Janhit Guarantee Adhinyam, this is the official website of directorate of training and employment, government of Uttar Pradesh. It is extended to the whole of Uttar Pradesh and have come into force on January 14, 2011. University follow this adhinyam for disposal of official work in stipulated time limit.
- University has a grievance redressal management system (GRMS) portal for grievance redressal of students and staff. Its provides fair and speedy means of grievance handling it also shows clarity in procedures, processes and time frames adopted. Students/parents/teachers/staff need not go directly to the grievance consultants to register complaints. Encourages users to raise grievances without fear. Save time of aggrieved person and cell members.
- An RTI portal is also working in the University. RTI resolves personal grievances, solve long pending issues of society makes accountable elected representatives, make online social presence relevant and helpful, makes connections with government officers.

❑ Finance and Accounts

- The University has implemented online payments for all the accounts.
- PFMS (Public Financial Management System) has already been implemented for certain heads. It help to establish an efficient fund flow system and expenditure network. PFMS also provides various stakeholders with a reliable and meaningful management information system and an effective decision support system.
- Disbursement of Salary from Govt Funds is through Treasury. It is the executive agency responsible for promoting economic prosperity and ensuring the financial security.

- University follows its all purchase related activities through GeM portal and e-Tendering. It is a one-step to enable easy and smooth online procurement of the consumer goods and services that are needed by various government departments, organizations, military and PSUs in India.
- **Student Admission and Support-** The University admissions are through UPCATET examination, NEET, UPTU, ICAR- AIEEA-UG and ICAR-AIEEA- PG and the counselling of students is done online. UPCATET is an entrance exam conducted to provide admission to Uttar Pradesh State domicile candidates in different UG and PG programmes offered at CSAUA&T, Kanpur; SVPUA&T, Meerut; Acharya Narendra Dev University of Agriculture and Technology, Kumarganj; Banda University of Agriculture and Technology, Banda. It is state level entrance exam that is once year.

Management of student academic activities is through Academic Management System that is meant for all students 'academic management within campus like online student's registrations, management of classes and results declaration etc.

An alumni portal is also working for its university alumni.

Examination- During pandemic period, University used various open platforms like Google classroom, Google meet for student's seminar, viva-voce and examinations. After implementation of Academic Management System of ICAR, the process of online registration, grade submission, and result preparation are managed.
