The above programme has been decided in a very short span of time therefore, it was not becoming possible to have a reservation in any train. Keeping in view the importance of participation air tickets have been procured.

Therefore, DAES/Hon'ble Vice-Chancellor may kindly be requested to allow us to attend the above AICRIPDA-NICRA Workshop and Technical Workshop for Integrated Rainfed Farming System and approve the following tour programme.

Date of departure	Place of departure	Date of arrival	Place of arrival	Mode of journey
24.5.18	Kumarganj	24.5.18	Lucknow	bus
24.5.18	Lucknow	24.5.18	Hyderabad	plane/Taxi
30.5.18	Hyderabad	30.5.18	Lucknow	plane/Taxi
31.5.18	Lucknow	31.5.18	Kumarganj	bus

Fund is available in AICRIPDA-NICRA Project.

Submitted for kind approval of DAES/Hon'ble Vice-Chancellor.

HOD/ Director Research

Two adhoc research proposals have been submitted by me to get financial assistance from sodh nidhi of UPCAR, Lucknow. The first one is 'Genetic improvement of pointed gourd for longer shelf life and processing under sodic soil' and second one is 'Genetic improvement of annual moringa for food, fodder and further value addition for proper utilization'. Both the projects have been screened out in net working mode. Now the said projects have been accepted by UPCAR for presentation before the expert committee on 23-01-2020 at 9.30AM at committee room of UPCAR (Annexure 'A' and 'B') in which my presence is essential. So I wish to be present in the said presentation of the projects. The expenditure incurred on TA and DA may be met from the budget head of AICRP on Vegetable Crops. The budget is available in the project.

Therefore, it is requested that I may kindly be allowed to participate in the said group meet. The tour programme is place below for your kind approval please.
