Important Note:-

1. There has been substantial decline in the burning cases across all districts under CRM-Project.
2. District Maharajanj, Siddharthnagar and Barabanki has Performed excellently in managing the burning events.
3. However few district like Azamgarh, Chaundoli, Jaunpur-I and Varanasi where the burning cases are reduced to zero need rethinking for continuance of CRM project there.
4. New district with more burning events of paddy may be included under CRM.
